

# [Bonfire Festival, NB | Your Middle of Everywhere Music Festival](#)

Don't you feel that spark between us? We sure do!

We're stoked to announce the launch of the Bonfire Festival | A Canadian Music & Arts Festival located in St. Stephen, New Brunswick, from August 15-18, 2019!

With a strong community spirit and a deep appreciation for all sorts of creativity, we established the Bonfire Festival as a place to celebrate the two. While igniting a wicked good time, of course!

This year's festival from August 15 to 17, 2019 features artists from all across Canada. All of whom, have roots here in New Brunswick in one way, or another. The festival lineup includes concerts and workshops, collaborative outdoor art projects, and family-friendly art events. For those all-access, weekend pass-holders, we've even planned a blazing after-party to ash-ure you make the most of the weekend! (Was that pun too much?)

\$50 CAD for the three days or \$15 CAD per day

Come hear some amazing shows on the banks of the St. Croix, get new ideas and fuel from the workshops, and enjoy the height of summer in beautiful New Brunswick!
