

# Concierge

Please stay tuned for additions to our new concierge service. In the meantime, please contact us if there are any services that you would like and we can certainly try to arrange them for you.

Examples of services that can usually be arranged include:

- Car service to/from Bangor airport or Ellsworth/Bar Harbor area.
- Grocery shopping — arrive at your rental house with your fridge already stocked with essentials!
- Prepared lobsters — don't handle the bugs yourself — have someone deliver them to you freshly steamed.
- Personal chef

Just ask and we'll come up with a solution and pricing sheet.
