

This Is My Favourite Cocktail Bar in DownEast Maine

[Skywalkers Bar and Grill](#) is a small local bar with good food, good drinks and friendly people. It's sort of the Machias version of Cheers — walk in the first time a stranger, then every subsequent visit, you become a regular and everyone really will know your name.

Besides eat and drink, Skywalkers offers entertainment on most nights — everything from local musicians, to non-alcoholic nights for teens to touring acts (coming in February — a male revue!).

Skywalkers is located at 86 Maine Street in Machias.
